The emotions that one goes thourgh, over a loss of a loved one  
Or friend then, knowing the cost of rebuilding and carrying on  
It gets so damn hard in this modern day Babylon  
And disease runs rampant, so many men carry arm  
So many have a lonely painful road to travel on  
Mothers losing sons, improper use of guns  
Children go astray because their parents were abusive ones  
I used to run with the illest guys  
Thourgh the realest eyes  
I seen the realest and the illest die  
The cycle continues, so many times the good ones  
The young ones  
So many misunderstood ones  
Remembering their faces and voices  
And when the wise man said  
Life is full of choices  
Some get caught up, others are innocent victims  
All I know is they were close to us, and that we miss them

I'm not sure about any of these names
